

**Court of Appeals, State of Michigan**

**ORDER**

People of MI v Terry Duane Munofu

Docket No. 275249

LC No. 06-002444 FH

Brian K. Zahra  
Presiding Judge

Judges

---

The Court orders that the delayed application for leave to appeal is DENIED for lack of merit in the grounds presented.

On its own motion, this Court REMANDS the matter for the limited purpose of attaching the plea transcript to the presentence investigation report as ordered by the trial court but apparently not done.
